### **Top Safety Accreditation for Express Fire Equipment Ltd.**

Express Fire Equipment Ltd. is one of the latest group of successful companies to join a leading edge scheme, designed to help industry improve its safety record.

Express Fire Equipment Ltd. recently received accreditation for SAFEcontractor, a programme which recognises very high standards of health and safety practise amongst UK suppliers and contractors.

Lindsay Jones, Director of Express Fire Equipment Ltd., comments: 'We are delighted to have achieved this most important health and safety acknowledgment which covers all aspects of our businesses including warehouse operations. The accreditation further strengthens the excellent track record that Express Fire Equipment Ltd. enjoys for supplying quality goods and services to the fire trade industry'.

Under the SAFEcontractor scheme, businesses undergo a vetting process, which examines health and safety procedures and their track record for safe practice.

John Kinge, Head of Risk at SAFEcontractor said, 'More companies need to understand the importance of adopting good risk management in the way that Express Fire Equipment Ltd. has done. The firm's high standard has set an example, which hopefully will be followed by other companies within the sector'.

Over one hundred and twenty major nation-wide business, from several key sectors have signed up to use the scheme when selecting contractors for services such as supply, building and refurbishments etc.
