

# Safe Can Safe Storage for Liquids

Available now from Express Fire

Safe storage for flammable materials

Available in three sizes (1 US gallon, 3 US gallons and 5 US gallons)

Made from heavy duty, high grade steel with reinforced side protection

Finished in high grade powder coated plastic and resistant to many chemicals

Self-closing leak proof lid

Easy use filling and pouring funnel also available

All models are equipped with an FM-tested dual-density flame arrester, which reliably dissipates heat to stop flashback ignition
