

6ltr Polar Liquid Foam Extinguishers

The TOTALTOTS6AKA Polar Liquid Fire Extinguisher is suitable for Class A and B fire fighting and polar liquid fires. Polar liquid fires (including alcohol, ethanol and methanol) are unresponsive to standard foam fire extinguishers and are often found in the cosmetics, pharmaceutical and distilling industries as well as the production of adhesives.

Why choose TOTAL?

- Manufactured in Germany
- CE Mark.
- 5 year guarantee (restrictions apply)
- Full range of TOTAL spares available
- Cartridge operated and easy to service
- Safe for inadvertent use on electrical equipment up to 1,000v at a 1 metre distance.
- Part of the TOTAL Eco range with cartridge operated foam solution
- Protection against polar liquid fire as well as Class A and Class B fires.
- Please see the complete TOTAL brochure for further information

Size	6ltr
